

Nationwide Network

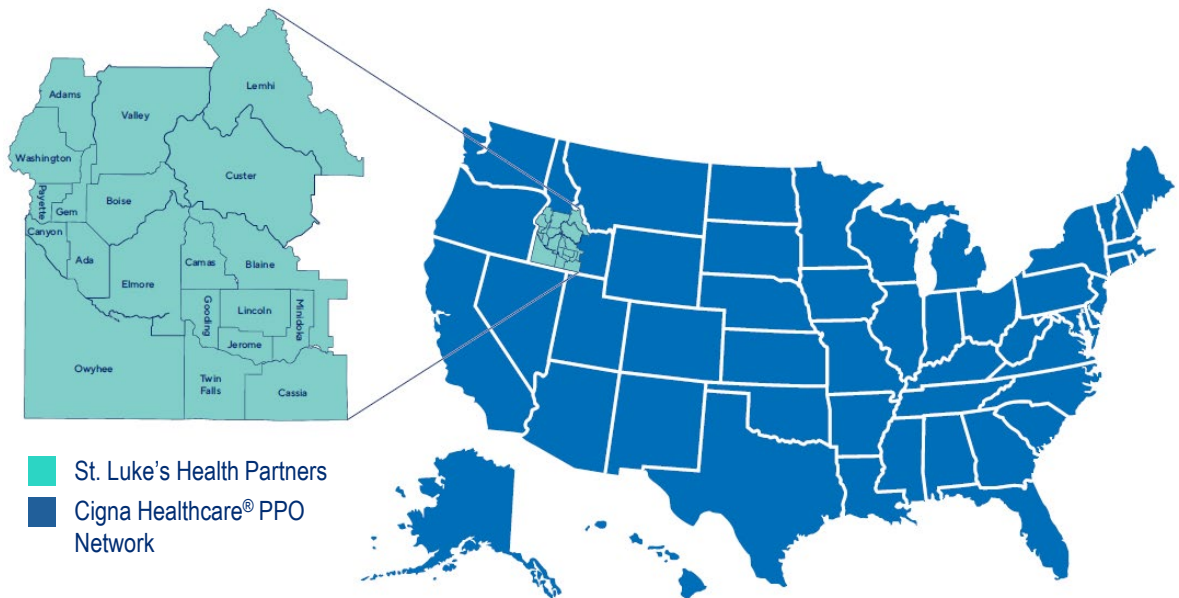

We have you covered.

St. Luke's Health Plan members and dependents have access to coverage where and when they need it, here in Idaho and across the nation.

- **In Idaho:** Within our 20-county service area, members have access to thousands of St. Luke's doctors and specialists, plus a broad network of trusted independent practitioners.
- **Outside the area:** When traveling or living outside our service area, members can use the national Cigna Healthcare® PPO Network.

All covered services received from in-network providers—whether in Idaho or nationwide—are provided at the in-network benefit level. Please see your plan documents for detailed benefit information.

Map denotes areas which provider networks are located, not that all facilities and doctors within that area are in-network.

The Cigna Healthcare® PPO Network refers to the health care providers (doctors, hospitals, specialists) contracted as part of the Cigna Healthcare PPO for Shared Administration. Cigna Healthcare® is an independent company and not affiliated with St. Luke's Health Plan. Access to the Cigna Healthcare PPO Network is available through the contractual relationship between St. Luke's Health Plan and Cigna Healthcare. All Cigna Healthcare products are provided exclusively by or through operating subsidiaries of The Cigna Group, including Cigna Health and Life Insurance Company. The Cigna Healthcare name, logo, and other marks are owned by Cigna Intellectual Property, Inc.
