

Summary of Benefits and Coverage: What this Plan Covers & What You Pay for Covered Services

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit stlukeshealthplan.org or call 833-377-1311. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$0 at Indian Health Care Provider (IHCP) or with IHCP referral at non-IHCP; or network providers \$1,800 individual / \$3,600 family; out-of-network providers \$18,400 individual / \$36,800 family.	Generally, you must pay all of the costs from provider up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible?	Yes. Preventive care ; office visits; diagnostic tests; chiropractic; Tier 1 and Tier 2 prescription drugs are covered before you meet your deductible .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive care without cost sharing and before you meet your deductible .
Are there other deductibles for specific services?	\$0 at IHCP or with IHCP referral at non-IHCP. There are no other specific deductibles.	You don't have to meet deductibles for specific services
What is the out-of-pocket limit for this plan?	For In- network Providers: \$7,750 individual / \$15,500 family For Out-of-network Providers : \$92,000 individual / \$184,000 family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limit until the overall family out-of-pocket limit has been met.

What is not included in the <u>out-of-pocket limit</u>?	Premiums , balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a <u>network provider</u>?	Yes. See www.stlukeshhealthplan.org or call 1-833-377-1311 for a list of network providers.	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of- network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance-billing). Be aware, your network provider might use an out-of- network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No.	This plan will pay some or all of the costs to see a specialist for covered services without a referral before you see the specialist .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
