St Luke's HEALTH PLAN

Get the medications you need, skip the hassle.

Better benefits for a healthier you.

You deserve personalized care with national reach. Our pharmacy team works directly with doctors and pharmacies nationwide to ensure you've got the medication you rely on to live your healthiest life. Whether you're at home or exploring new cities, we've got you covered.

Visit **stlukeshealthplan.org** for a listing of all in-network pharmacies.

Here for your unique Rx needs.

Take advantage of the only health plan in the state that partners with an Idaho-based specialty pharmacy stocked with medications for complex conditions, such as cancers, and advanced illnesses. Call 208-205-7779 for specialty pharmacy assistance.

Never miss a refill again.

Get medications delivered right to your door through St. Luke's Pharmacy – Home Delivery.

You can also get up to a 100-day supply of certain medications through the mail or through St. Luke's Retail Pharmacy. Call 208-706-6245 for more information. Some exceptions apply.

$0 preventive medications keep pockets happy.

All our members have access to Affordable Care Act preventive medications, offered at no cost. You will pay $0* for many qualifying medications, such as:

- Statins
- Vaccines
- Female contraceptives
- Tobacco cessation drugs
- HIV prevention drugs

**Coverage is based on the Affordable Care Act's preventive health guidelines. For a full list of covered items, visit HealthCare.gov.*
