EAP Preferred Partner

Exclusive Value for St. Luke's Health Plan Employer Clients

Through our partnership with BPA Health, St. Luke's Health Plan is proud to offer exclusive preferred pricing on a 5-session Employee Assistance Program (EAP). This partnership gives your organization access to Idaho's most established behavioral health provider network, ensuring your employees receive timely, confidential, and high-quality support for life's challenges.

With BPA Health as your EAP partner, you'll gain:

- **Exclusive Pricing Advantage** – Preferred rates only available to St. Luke's Health Plan clients.
- **Comprehensive 5-Session Model** – More than a "call center," this model provides meaningful problem-solving support for employees and their families.
- **Critical Incident Response** – Support to help organizations and employees navigate unexpected workplace crises.
- **Legal and Financial** – Access to confidential legal and financial resources, providing expert guidance on everyday matters like budgeting, debt management, estate planning, and more.
- **Proven Local Expertise** – For over 50 years, BPA Health has been serving Idaho employers with trusted, confidential, and clinically excellent services.
- **Seamless Experience** – You can expect streamlined onboarding, high-touch account management, and collaborative employee engagement.

This EAP partnership adds measurable value to your health plan by strengthening employee well-being, improving productivity, and demonstrating your investment in workforce health.

Ready to get started? Email Julie.Tripke@bpahealth.com at BPA Health and reference that you're a St. Luke's Health Plan client.
