

What makes St. Luke's Health Plan different?

We're the only Idaho-based health plan connecting health care and health coverage into a seamless experience that reduces barriers and costs. While many insurance companies prioritize profits, we genuinely put our members first.

Check out some of our in-network benefits.

\$0* plan benefits:

- \$0 primary care visits
- \$0 preventive care
- \$0 professional maternity care
- \$0 professional mental health office visits
- \$0 St. Luke's virtual care

Pharmacy: Nearly every national and independent pharmacy across the U.S. is in our network. Take advantage of our local retail pharmacies or choose home delivery. Have questions? Our pharmacy team is Idaho-based and happy to help!

Fewer prior authorizations: With St. Luke's Health Plan, you won't have to seek prior authorization for most in-network care (so long, dreaded "on hold" music).

St. Luke's On-Demand Virtual Care: With one of the first virtual care centers in the region, our waiting room is your living room. For many common ailments, you can use On-Demand Virtual Care to see a local physician or nurse from the comfort of your home using your computer or smartphone. Convenient and easy? Yes!

* Deductibles might apply for high-deductible health plans. See full policies and exclusions by plan at stlukeshealthplan.org.

StLuke's
HEALTH PLAN

Hello.

We're here to deliver hassle-free health care.

Doctors, patients and insurance, working together.

We've built a new kind of insurance. One that removes barriers between doctors and insurers. Barriers between you and the care you deserve. Welcome to St. Luke's Health Plan, where St. Luke's doctors, independent doctors and health insurance all work together, for you. This means there's no more wondering if your insurance knows what your doctor is proposing. No more questioning whether your insurance will cover a procedure.

With St. Luke's Health Plan, you get seamless health care built around you.

Let's make a plan.

We offer plans to suit every lifestyle and business need. Whether you're looking for a higher deductible with lower out-of-pocket costs or the reverse, we've got you covered.

Visit stlukeshealthplan.org to browse our plan options.

Easily access your info with MyChart.

St. Luke's MyChart provides secure and seamless access to your medical care and your insurance details in one convenient location. You can access MyChart on your computer or mobile device wherever you go.

Where can I go?

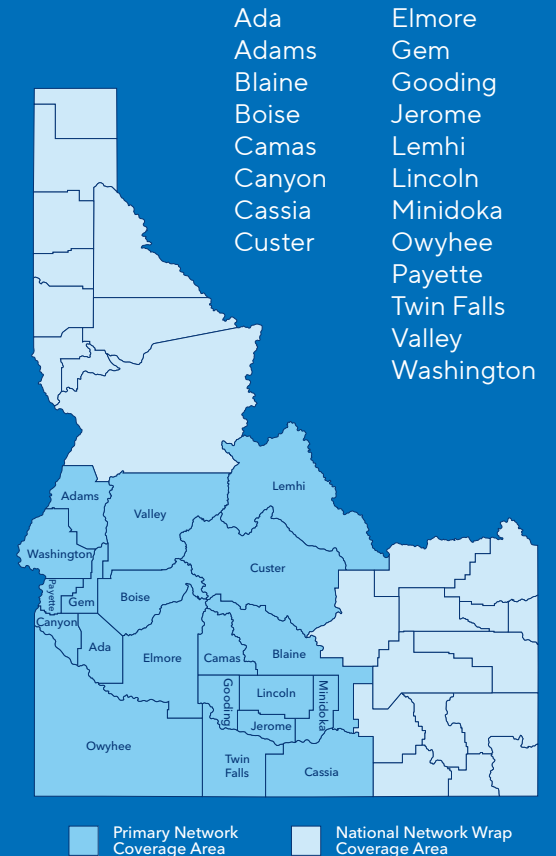

Pretty much anywhere. That's the beauty of having a plan with wide reach. With coverage in 20 counties, and access to our national network partner, St. Luke's Health Plan keeps you covered no matter where life takes you.

Network coverage.

Whether it's an appendix in Ada or lymph nodes in Lemhi, you're covered.

Members and dependents who live, work or travel outside our coverage areas have access to nationwide care as well.
